

Singapore May Day Awards 2018

5th May 2018 - SAM Avitron was conferred with the Plaque of Commendation by the National Trade Union Congress (NTUC) for its continual support in the Labour Movement and its initiatives. The award, given at the national level was held in MES Theatre at Mediacorp this year.

Avitron General Manager, Mr Peter Lim, represented the Company to receive the award from Trade and Industry Minister, Mr Chan Chun Sing. The event was well attended by more than 1,000 guests, labour movement leaders and tripartite partners.

Avitron was nominated for the award based on its continued effort to build, improve and sustain a professional technical workforce. These activities included a structured career progression pathway and employee skills matrix for the Company's technical workforce; a customized Professional Conversion Programme to build a stronger engineering pool core to the operations; a flexible benefits scheme to enhance retention of employees as well as the introduction of age-friendly policies and improved workplace environment. All these initiatives are targeted to enhance skills, improve talent availability and retention.
